Do you ever feel like:

- you want MORE - but not sure what that is or where to start?
- you're running around and working hard, but not getting anywhere?
- you're afraid to let yourself dream big or go after what you really want?
- you wish you had a roadmap for what you need to do to succeed?

This hands-on workshop will give you steps to push past the fear and roadblocks holding you back. You'll learn how to dream big, get clear on what you want and focus on action steps that get results.

Program includes a 90-Day **Action Plan Workbook** and **complimentary drinks and appetizers** at the private UMass Club, 32nd Floor, One Beacon Street, Boston, with gorgeous views overlooking the city. A fun and inspiring way to kick off 2018. Join in with other resource groups at the UMass Club for a cost-saving option.
