

SOAR

Unlocking Your Potential
to Achieve Success

A NEW program for women from

year of action

SOAR

See the possibilities
Optimize the obstacles
Align your resources
Reach new heights

A program for women at all levels in the organization who want to go from Stuck to SOARING

- Get the confidence to push past fears and doubt
- Get clear on your goals and get inspired to take action
- Get a step-by-step guide to follow
- Get supported and motivated – and be held accountable
- Get connected to a network of positively-biased, action-focused women

year of action

GET INSPIRED. MAKE AN IMPACT.

Learn how to dream big, see opportunities from new perspectives and discover ways to step into your amazing potential, from right where you are.

Get the tools to bring your best self to your work and make the impact *only you can*.

FACULTY LEAD: Lisa DeAngelis

As Director, Center of Collaborative Leadership at UMass Boston, Lisa has extensive experience preparing leaders to excel today.

She was on teaching teams at Harvard Business School's *Authentic Leader Development* course and at Brown University's *Entrepreneurial Leadership in Innovative Firms* course.

Lisa has facilitated executive education programs at Wharton, West Point, Astra-Zeneca, LEGO, MIT Lincoln Labs and more.

In her own firm, Dragonfly Coaching, Lisa helps leaders at all levels step into their uniqueness, claim their power and actualize their vision.

SOAR is a companion program to the XAP - Xcelerated Action Program for women from Year of Action.

XAP introduces these concepts at a high-level and SOAR does a *deep dive* into them.

GET INSPIRED. MAKE AN IMPACT.
